WEBINAR: EXTENDED COVERAGE WORKSHOP

This webinar is designed to help ensure your account holders have all the information needed to decide whether Extended Overdraft Privilege is right for them. Discussion items include:

- What is Regulation E and how does it affect Overdraft Privilege?
- Account holders have the option to extend Overdraft Privilege to cover overdrafts caused by ATM and everyday debit card transactions
- If account holders do not extend their coverage, they are at risk of having their ATM and debit card transactions declined at inopportune and unexpected times
- Additional forms of overdraft protection used in conjunction with Overdraft Privilege
- How to approach account holders about Overdraft Privilege

**All programs are scheduled at Central Time (CT) and registration is required for all events.*

WEBINAR: TRACKING REVIEW WORKSHOP FOR JMFA OVERDRAFT PRIVILEGE® CLIENTS

In this session, program implementation experts work with participants one-on-one to review key components of individual program tracking reports from Fast-Track. By the end of this workshop attendees will be able to identify specific areas for program improvement that can be implemented right away. Registration is limited for each session to allow ample time to address the various aspects of performance indicators, similarities and differences among industry peers and Q&A. The session provides a unique learning environment for improving program management.

**All programs are scheduled at Central Time (CT) and registration is required for all events.*
