

SECURE EXTENDED COVERAGE OPT-INS ONLINE

PROVIDE A CONVENIENT WAY FOR ACCOUNT HOLDERS TO CONTROL THEIR EXTENDED COVERAGE

Ensuring consumers can give their consent or revoke their consent for the payment of ATM and everyday debit card transactions (Extended Coverage) is essential for compliance with Regulation E. Allowing your account holders to easily make their Extended Coverage decision in a compliant way improves their experience and the performance of your overdraft program. Let JMFA provide a convenient online **Extended Coverage** consent form that will allow the account holder a quick and simple way to elect for extended coverage without the hassle of printing forms, sending emails, calling, or visiting a branch.

When JMFA hosts your Extended Coverage consent form we help you by:

- ★ Providing a seamless integration with your website for your account holders to select or deselect Extended Coverage
- ★ Sending immediate notifications to account holders about their Extended Coverage election status
- ★ Reporting Extended Coverage changes daily, weekly or monthly from Privilege Manager CRM®
- ★ Keeping you in compliance with how the Extended Coverage is offered
